### Welcome from El Presidente

Good day and welcome once again fellow Prehistoric motorcycle enthusiasts. As you may be aware this is the 20th annual running of the " Big Chill" race meeting at Carnell raceway, Stanthorpe. It is my hope that " Jupiter" the god of weather and "Mariam man" the goddess of rain in conjunction with "Crankoneous Unbrokenous " the God of Speed, will shine upon us all and make our weekend fine and dandy. I thank you all for attending our extravaganza and particularly welcome all of those who have travelled great distances to help make this event a success. We have participants from as far afield as N.S.W., and Victoria as well as North Queensland. QEMSC have been established now for 41 years and as this is the 20th running of the BIG CHILL it is a momentous occasion and we look forward to many more years of fun and joyousness to come. Messieurs David Vincent and Rex Dell, the wizards of all things organizational, have worked very hard to make this weekend as successful as possible and so it is now up to you to do your utmost to enjoy yourselves. As I said last year anyone found not enjoying themselves will be spoken to very harshly. Many thanks go to all who have worked tirelessly to make this event what it is, and special thanks go to me for being so wonderful . Thanks also to Samantha and the scout team for putting on such a yummy breakfast and lunch .( we hope ) And finally , never forget that it is your pleasure to have me as your President. Thank you all again for your attendance.

Have a bloody good time and remember, the only thing better than horsepower is MORE HORSEPOWER!!
