

QEMSC
 PO Box 3188
 Southport BC

This is the last list I will put on the web. The next list will, hopefully be in race format. Please note that I have highlighted in **blue** those entries which exceed the grid limit for their races. Once again, new entries and changes are in **red**. Practice day participants are in **orange**.

This list is current until last Friday. Due to a Post office delay I will accept those entries that arrive on Monday.

The final instructions and race format will be posted during the week as it is finalised. Any entries I decide to accept after Monday (if any) will not be in the programme.

Keep an eye on this website for further detail as it is finished. I will also email the info to those that supplied a legible (?) address. And I will mail it to those who supplied a stamped addressed envelope. Therefore you may get two copies. 😊
