As has become the tradition of honoring club members, who have made a substantial contribution to historic racing and to QEMSC, it is now our pleasure to feature Bernie, (Bummers) Summers, at the 2022 Carnell Classic.

Anyone who has been involved in our sport will know Bernie, even if only by his distinguished World War 2 pilot's moustache and his ever present, effervescent smile.

However some may not know of his very prodigious racing career which includes winning a 125 cc HRRCC championship, Q'ld and Vic 125 championships, NSW 250 and Vic 350 championships and many podiums in a variety of classes.

In addition, a "fourth in class" place, with Rob Scolyer at the Castrol Six hour.

Now those that do know Bernie personally, often call him by his endearing nick name, "Bummers".

Some would suggest this came about during his youth by mates combining the letter "B" from his first name and adding it to his last name.

However I reckon it may have been the result of a trip down the bitumen at Bathurst after passing World Champion, Mike Hailwood.

Bernie must have thought, "Wow, I've just passed Mike the Bike", and in a moment of exhilaration, lost concentration and found himself on his bum".

I suspect he muttered, "NOW THAT'S A BUMMER".

Anyway, regardless of how he earned the "Bummer" moniker, Bernie is both a gentleman and a great club member.

Retired from racing, Bernie remains a stalwart of QEMSC and continues to contribute to our club as a member of the race committee.

All the best for the future Bernie.

Best Regards.

Milto.

Vice President.
