PRESIDENT'S WELCOME

Welcome.

Here we are again for the 4th running of the QHRRC put on by the undisputed best Historic motorcycle club in the world QEMSC.

As always we have a dedicated team of eager volunteers that we have press ganged into helping to make this meeting the wonderful success that it is and we thank them for there selfless efforts.

Many thanks go to all our sponsors. Without their help the meeting would not be what it is. Special thanks to Wynnum Marine, Johnny and Ian Milton for the power of work that they do to suport us.

We are running the event on the short track this year just for something different and for some of us it will be the first time out on it so a new challenge awaits us. I was recently fortunate enough to be invited to attend the first ever motorcycle race meeting held at Townsvilles new track. WOW what a ripper. We had a ball . The track is fast and challenging and what I would call technical. A long straight with some tight windy stuff and a very fast sweeping left hander that on a sidecar at full noise was an absolute hoot . My passenger Paul Montiford and I had a great day Saturday but unfortunately on Sunday morning , due to passenger error , we developed a small crankcase ventilation issue and so could not join in Sundays shenanigans but had a great day working on other peoples outfits and generally making a nuisance of our selves.

I hope you all have a great time and a wonderful few days of racing motorcycles and catching up with old friends and making new ones and if you dont enjoy yourselves then it will be your own fault.

Please remember that above all else the only thing better than horsepower is, and you heard it here first MORE BLOODY HORSEPOWER.

Hooroo.

A few words from our major sponsor

On behalf of Wynnum Marine, my son Johnny and I would like to thank QEMSC for allowing us the privilege of being the, "naming rights" sponsor, for the 2023 Q'ld., Historic Road Race Championships.

In particular we would like to thank the Executive of QEMSC for their hard work and commitment and to the officials and volunteers, for donating their time and ensuring that the event will be a success.

We extend a BIG welcome to all of the competitors and spectators and look forward to a fantastic program of racing both solos and sidecars, here at Morgan Park.

This event is celebrating the 100 th anniversary of BMW motorcycles.

In recognition, we would like to especially welcome the members of the Q'ld BMW owners club, many of whom are riding here from Brisbane, led by club President Tony Gray.

A display of BMW bikes is located near the pits, so please wander over and say hello to the owners.

As always, spectators are also welcome to inspect the race bikes and chat to the riders in the pits.

Wynnum Marine, located at 31 Fox Street, Wynnum is your, "one stop" shop for all things boating and fishing.

We are proud distributors of Cruise Craft, Stacer and Kingfisher boats along with the range of mighty Yamaha outboard motors.

Feel free to visit us here today in the pit bay located beside scrutineering, where the QEMSC tinnie raffle is on display.

Alternatively drop into our dealership at Wynnum for chandlery, boat sales, service and spare parts, six days per week.

Safe riding and boating.

Johnny and Ian (Milton) Milton.
